

Outline of Medicare Supplement Coverage Benefits Plans A, B, C, D, E, F, G, H, I and J

Medicare supplement insurance can be sold in only ten standard plans – plus two high deductible plans. This chart shows the benefits included in each plan. Every company must make available Plan “A.” Some plans may not be available in your state.

BASIC BENEFITS: Included in All Plans

Hospitalization: Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses: Part B coinsurance (generally 20% of Medicare-approved expenses), or, in the case of hospital outpatient department services, applicable copayments.

Blood: First three pints of blood each year

*We do not sell these high deductible options. Plans F and J also have an option called a high deductible Plan F and a high deductible Plan J. BlueCross BlueShield of Tennessee does **not** offer high deductible Plans F and J. These high deductible plans pay the same or offer the same benefits as Plans F and J after you have paid a calendar year \$1,620 deductible. Benefits from high deductible Plans F and J will not begin until out-of-pocket expenses are \$1,620. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include: in Plan J, the plan's separate prescription drug deductible; or in Plans F and J, the plan's separate foreign travel emergency deductible.
